Hi Ashok, you and your wife are just in time.

Manoj, this is Ashok Patel, my office colleague and his wife.

Arre yaar, when will this party end?

Poor guy! With a fat wife like Lata his life must be so boring

Hmmm... Savitaji,
I bet you could add some excitement in
his life. He is kinda cute!

Excuse me Manoj, could you pour me another drink please.

Of course Mrs. Patel, let me get you some ice from the kitchen

I'll come and help you.

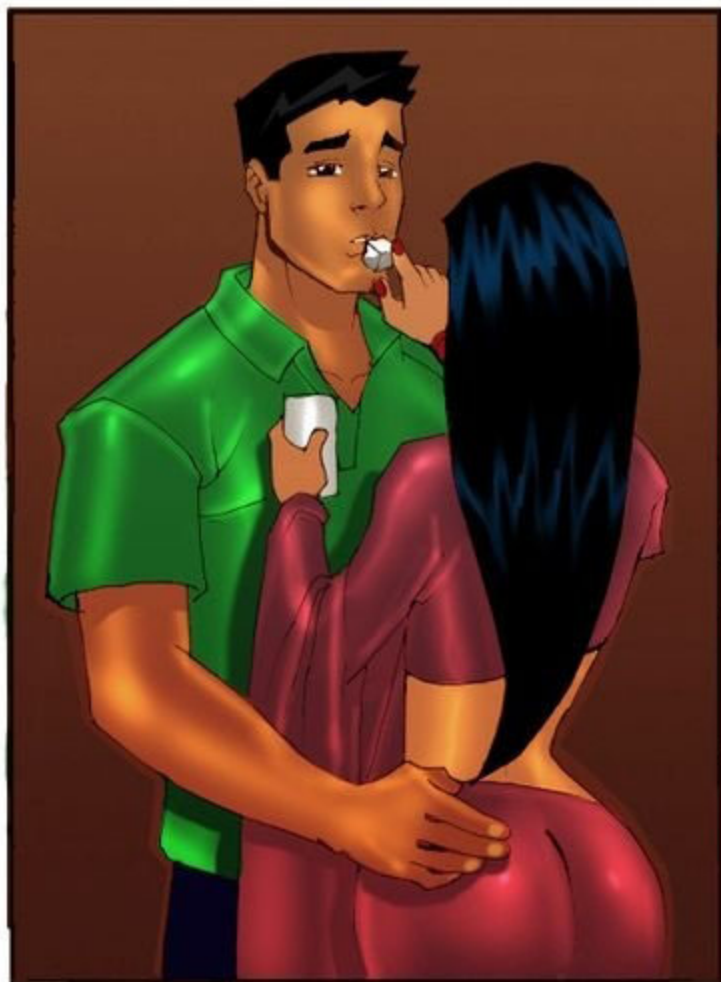

So Manoj, Lata must always be so busy, how do you pass your time?

Oh, don't worry. My extra curricular activites keep me occupied.

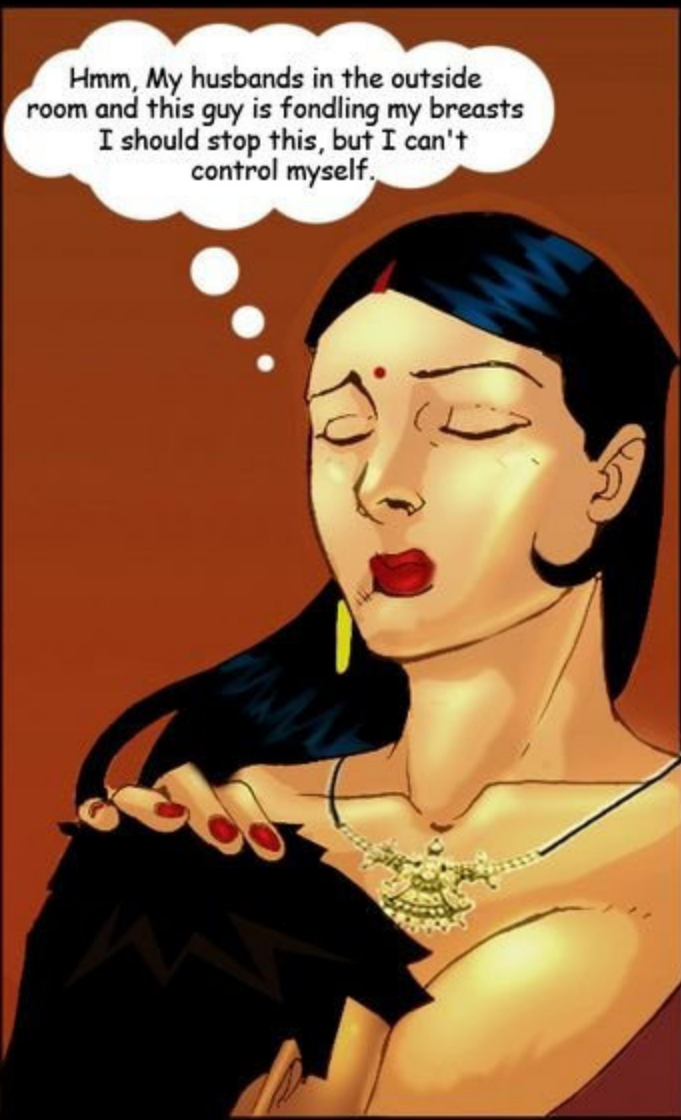

Interesting, perhaps I could join in sometime

Damn, her boobs are so soft.

Hmm, My husbands in the outside room and this guy is fondling my breasts I should stop this, but I can't control myself.

Ahhh, please don't.

Savitaji, your boobs are so soft but your nipples are so hard. Let me suck on them please.

Manoj, I hope your dick is as hard as my nipples because my pussy is getting too wet. It needs some excitement at this party.

I don't care if his wife is outside, If I don't get fucked soon I'll go crazy.

Savitaji, your panties are soaking wet. How long have you been thinking about getting my lund in your pussy?

Please, please touch it. Do something to it. Its driving me crazy.

Oh! Its so wet and moist. My god, it needs to be licked dry else the smell of your pussy will reach your husband outside!

Umm, can't wait for her mouth to suck on my dick. I'm going to just fuck her mouth

Oh god, its so much bigger than my husband's. Will I be able to take the whole thing in?

Yes my darling, rub it.. rub it hard.

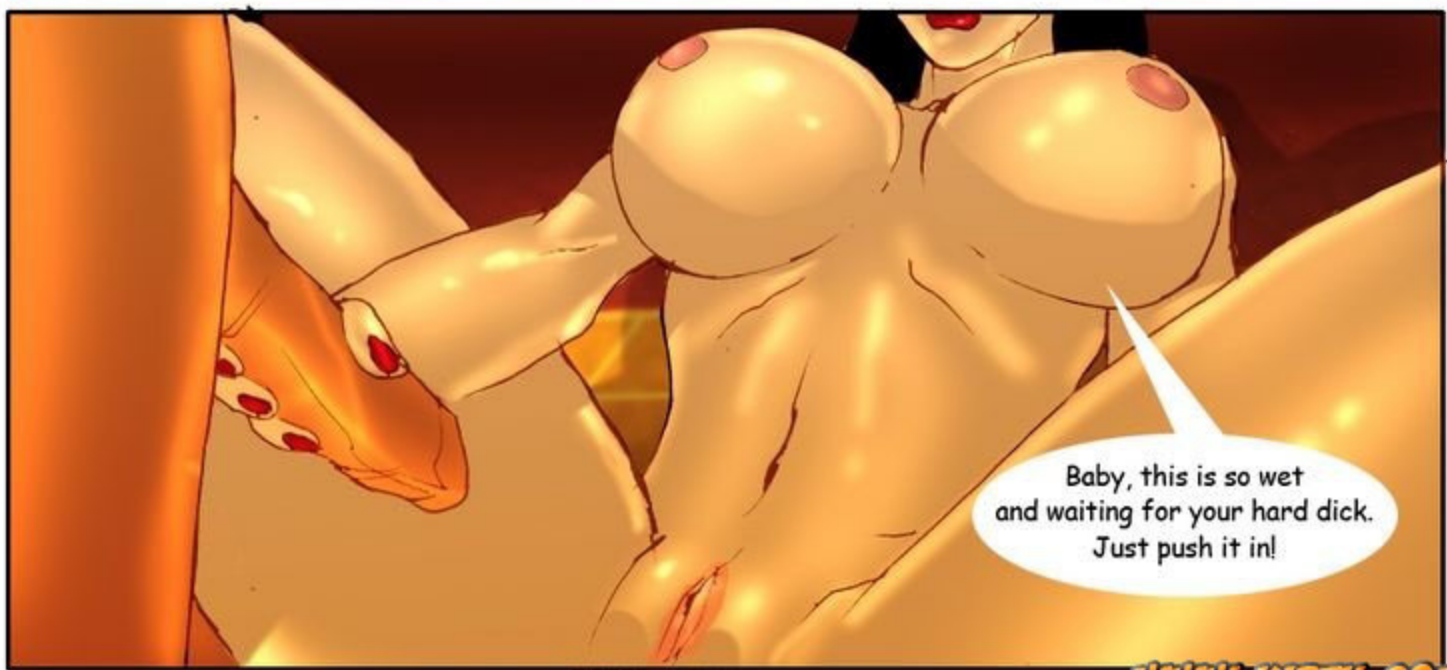

Hope you had enjoyed that, now it's time to put your dick somewhere else.

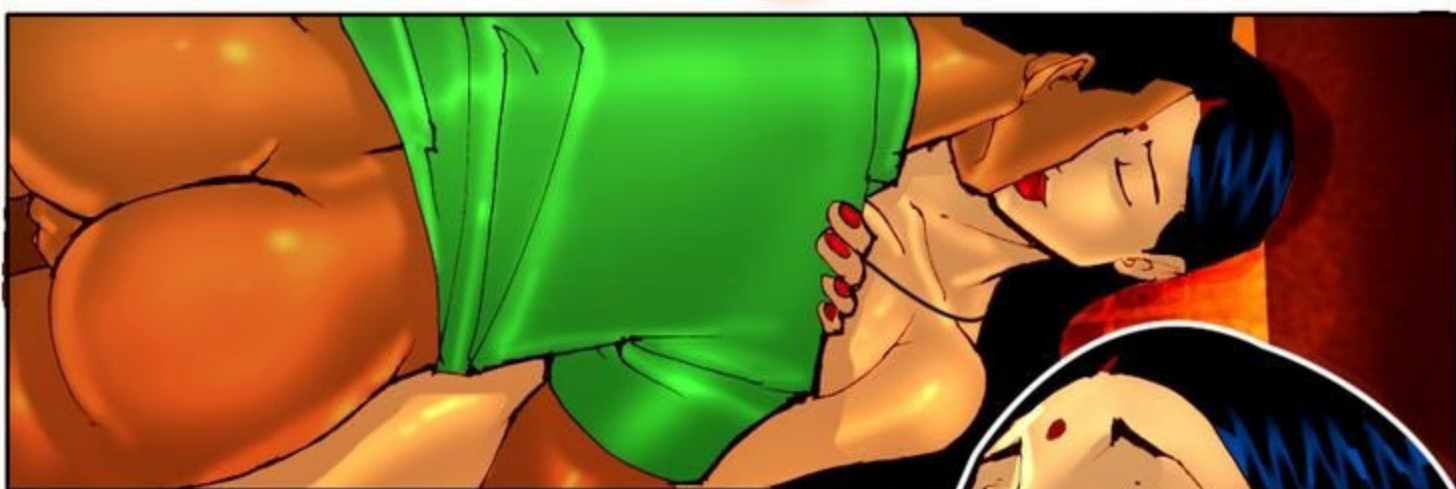

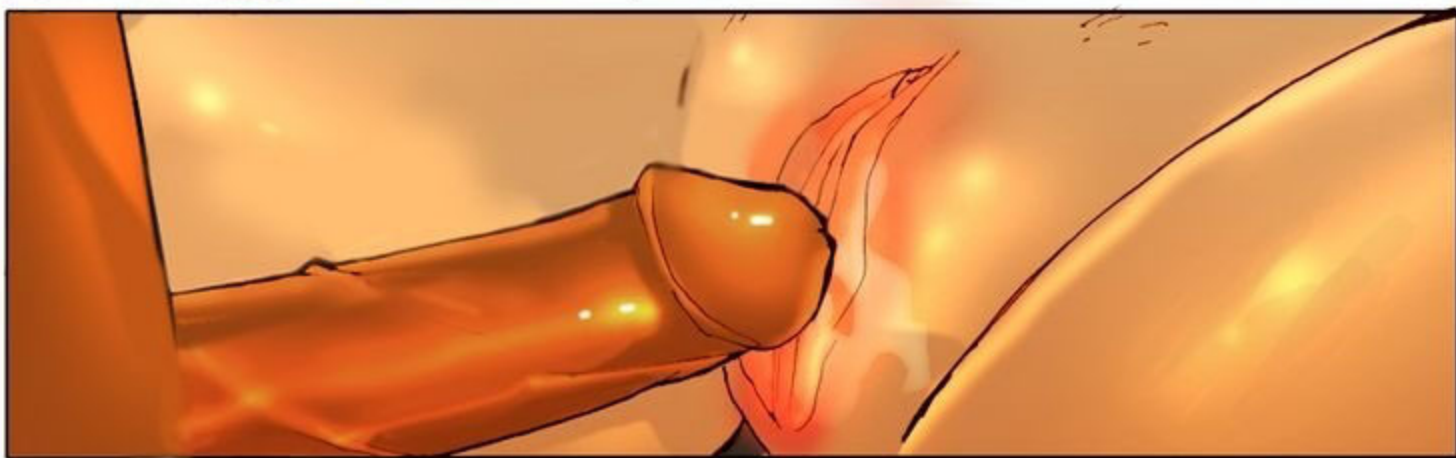

Yes, yes... rub it on your boobs

Baby, this is so wet and waiting for your hard dick. Just push it in!

Please don't torture me. I can't wait, just bang it in

Ahhhhh.

Yes baby, do it.
Fuck me, Fuck me harder.
Oh, it feels so good.

Wow, she's such a good fuck.

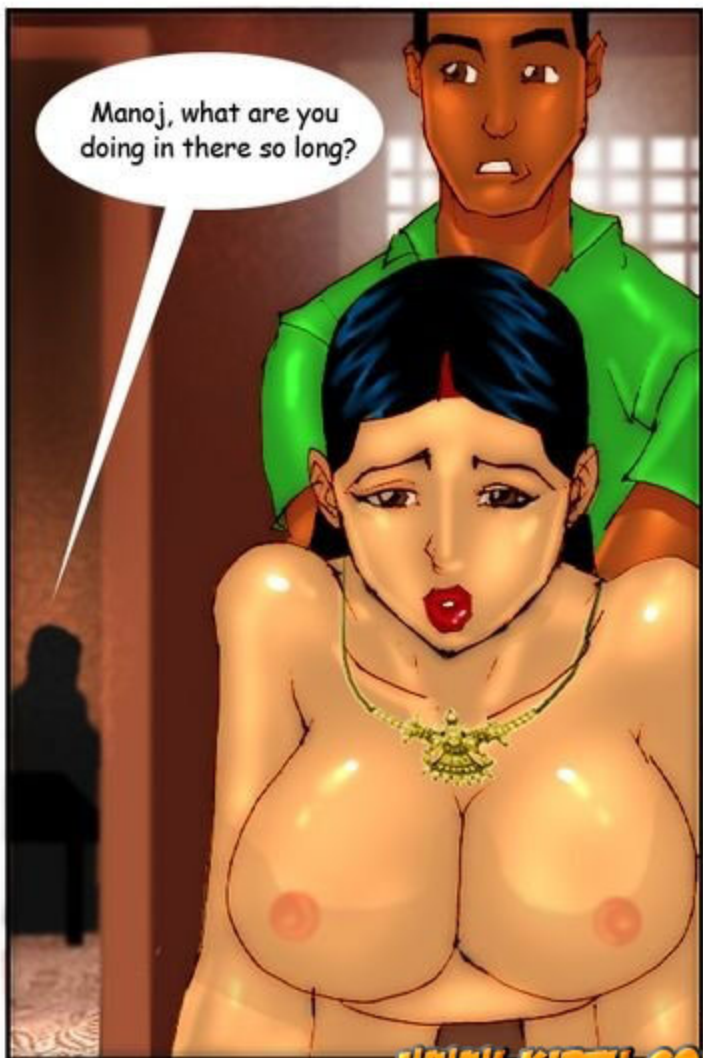

Slow down now
darling, let me turn around. I want
you to fuck me in every position.

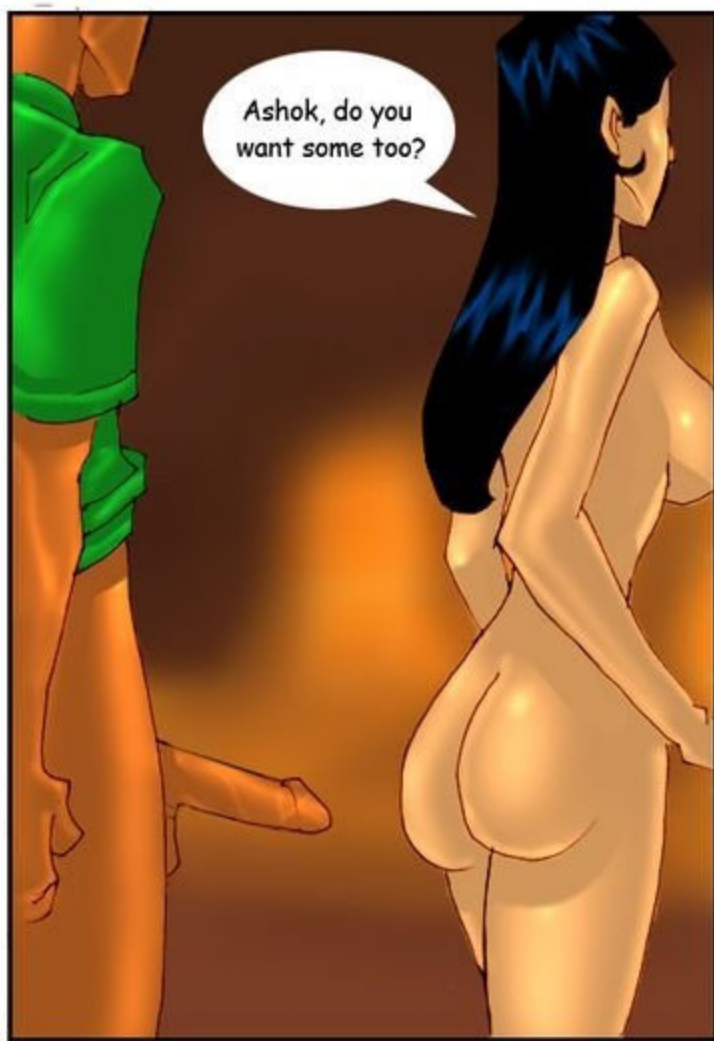

Hmm, what a sexy ass.
Time to fuck it hard

Oh I love this position. Yeah,
fuck me like a dog, fuck me
like I'm your bitch!

Manoj, what are you
doing in there so long?

Gosh, I'm still so
horny. I need this guys dick in me.
I need to be FUCKED!

So Savitaji, how was
it. Is Manoj a good cook?

Oh yes, his
kebab was just so delicious

Come lets have dinner at the table. I'll serve the dishes.

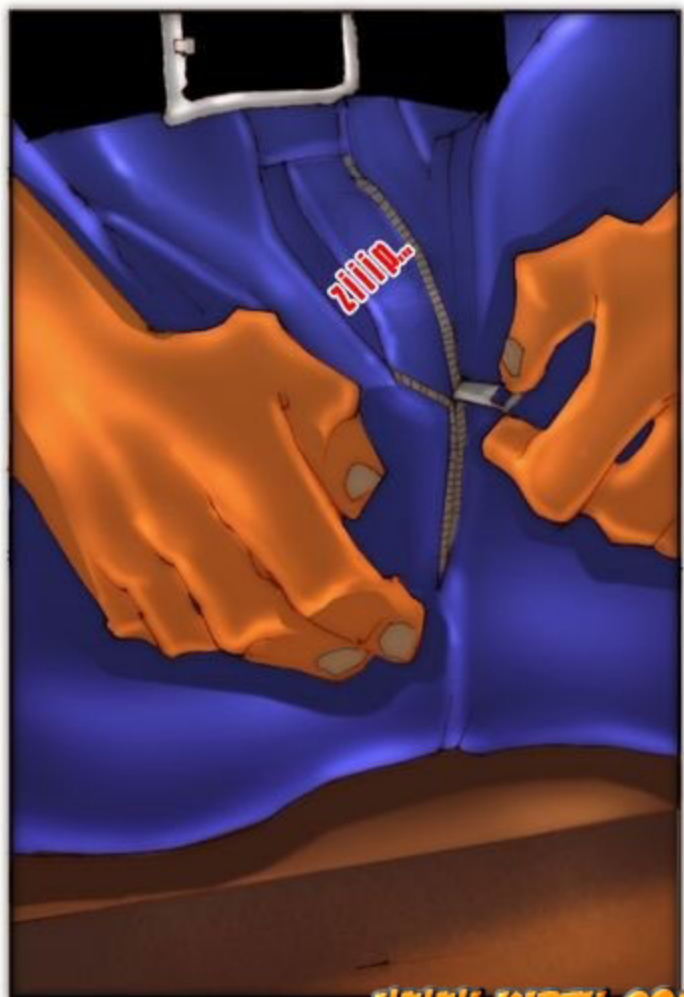

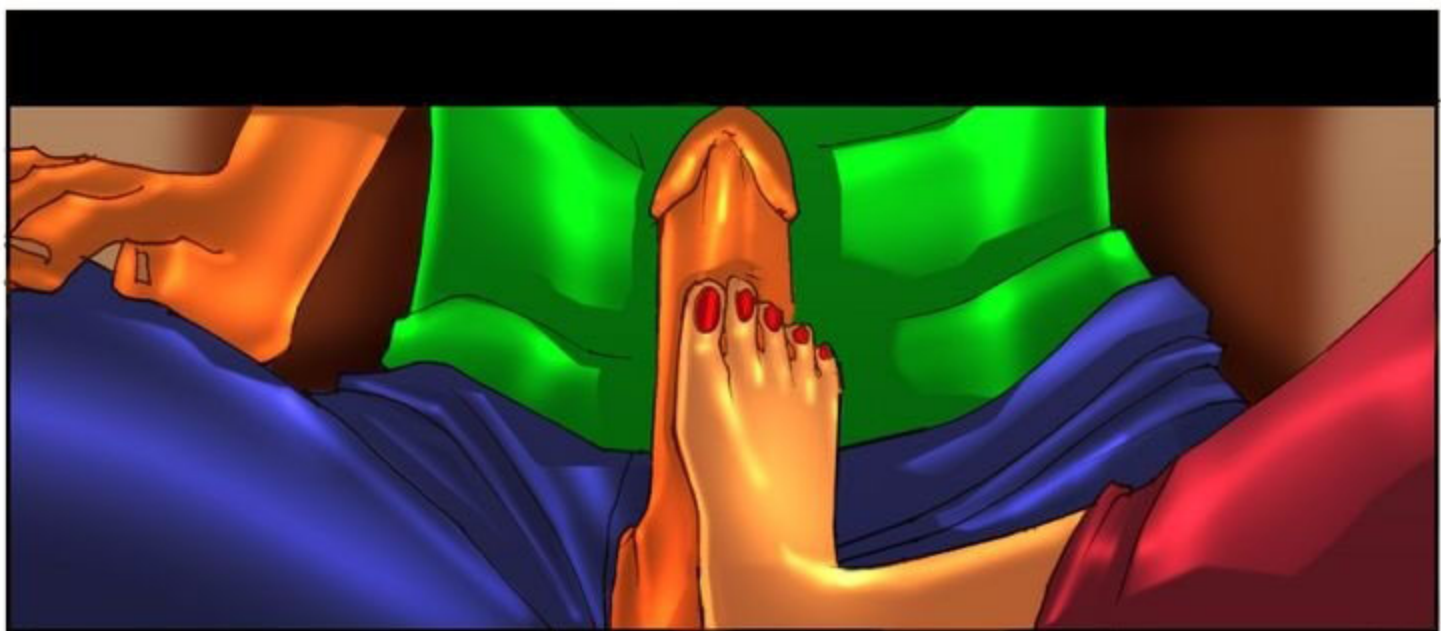

Manoj, can I have some more of what you were giving me inside the kitchen.

If I can't have that, I can at least have some other fun here...

Time to go down

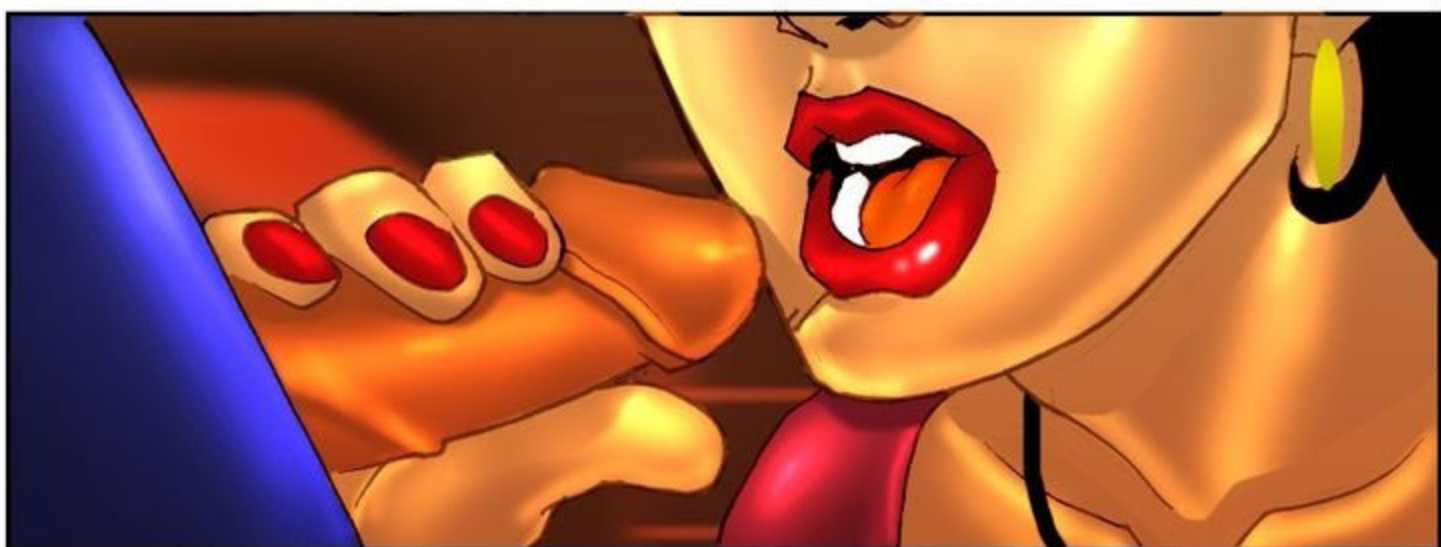

Oh no!

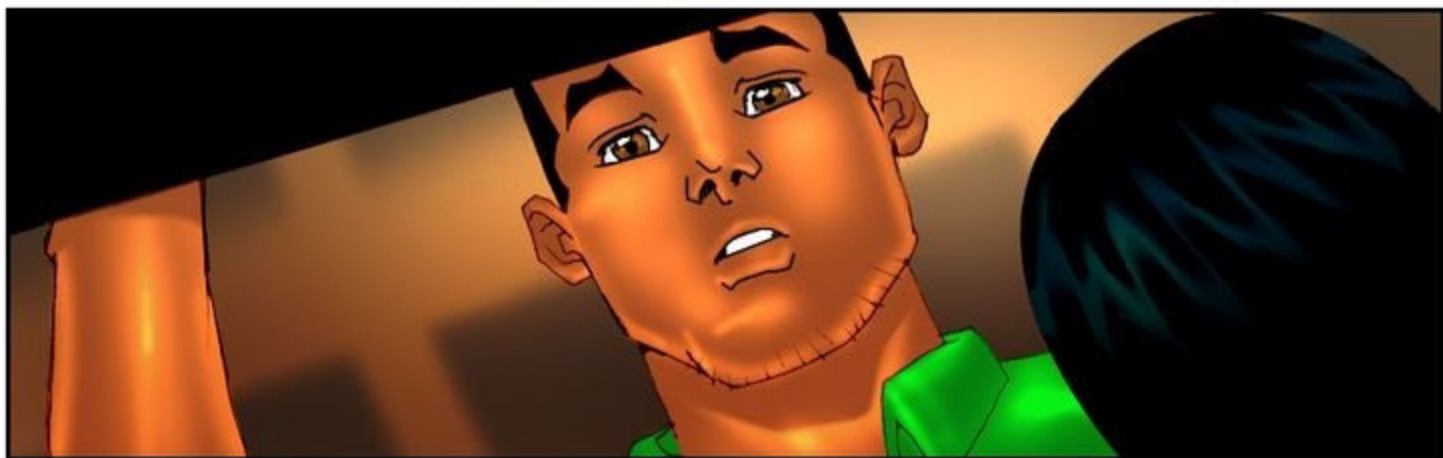

So sorry, let me get that.

Oh, let me give him a quick suck before I go up.

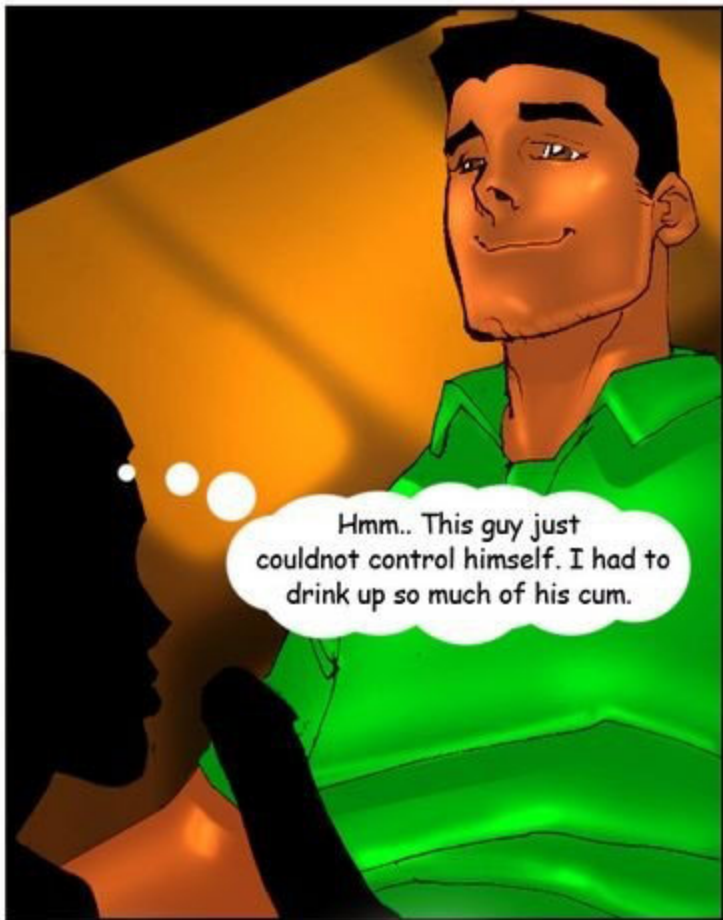

I better lick his dick clean or we'll be in trouble

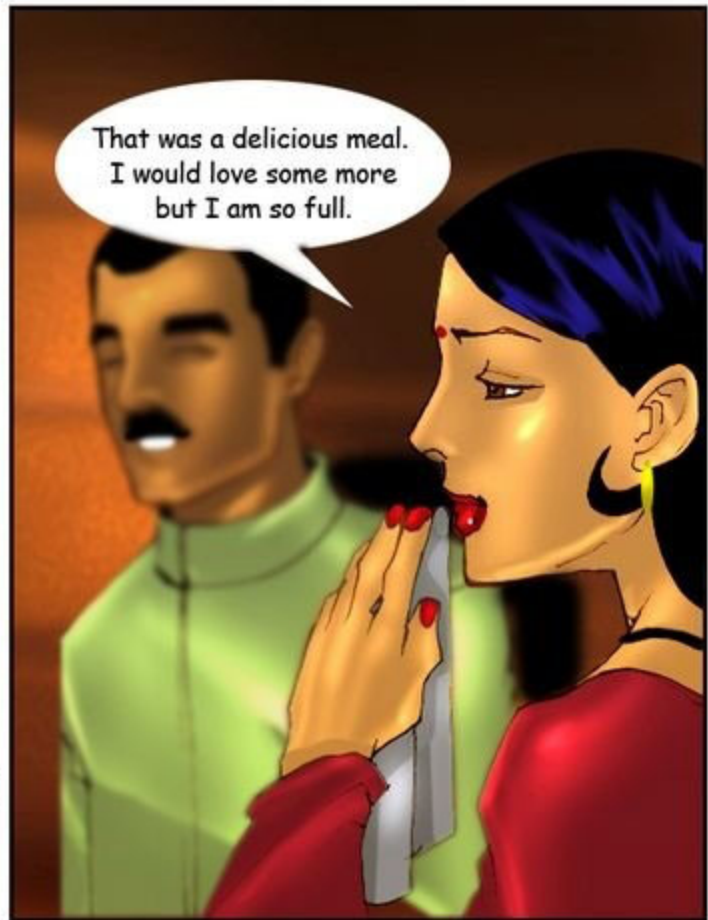

I love the taste of cum.

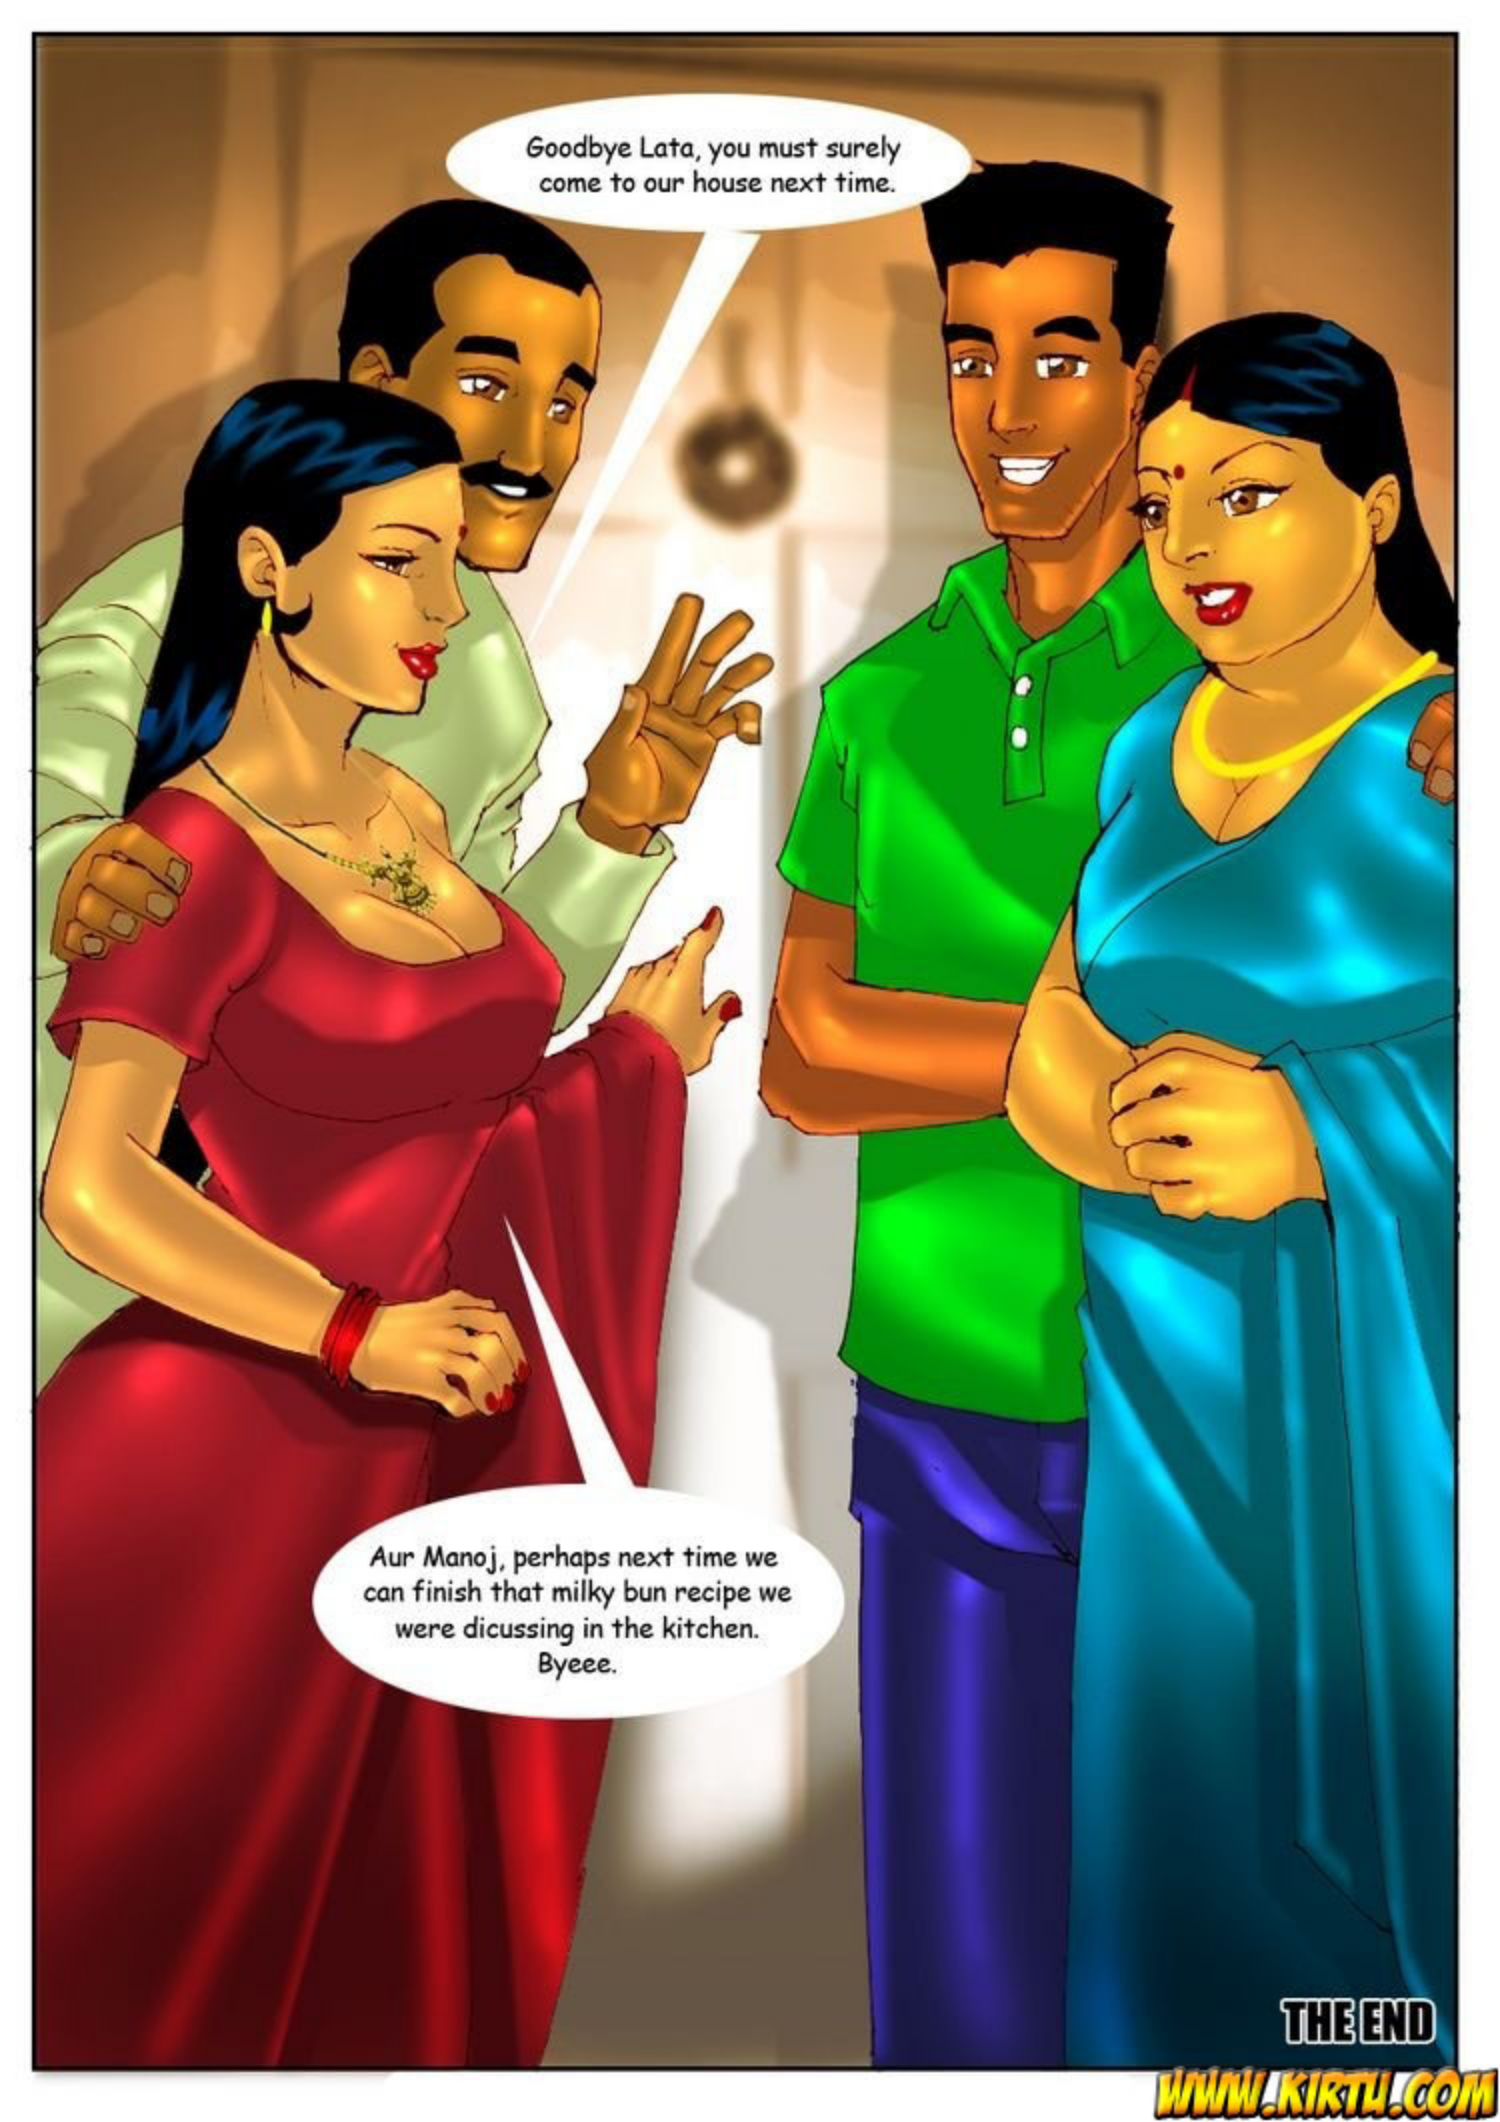

Hmm.. This guy just couldnot control himself. I had to drink up so much of his cum.

That was a delicious meal. I would love some more but I am so full.

Thanks for inviting us over Lata, Ireally enjoyed myself.

Goodbye Lata, you must surely
come to our house next time.

Aur Manoj, perhaps next time we
can finish that milky bun recipe we
were dicussing in the kitchen.
